

Instructions for Submitting Photos for Competitions by Paul Schmoldt

If you want to participate in our CCC competitions and/or Canadian Association of Photographic Arts (CAPA for short, Canada Wide competition), the following format must be used.

1. Image must be .jpg format and of the following maximum size (also the Optimum size due to projector consideration): 1024 pixels Horizontal and 768 pixels Vertical. It cannot exceed these sizes but can be smaller.

2. Save the .jpg image at '10' compression in Adobe programs or 90% compression in FastStone (this free program can be downloaded at <http://www.faststone.org/>).

3. a) Label or name your .jpg image as this example for CCC competition (I will use my name, you use yours):

PaulS-Hair-2009 02 24.jpg which translates to

First Name and Initial-Competition Theme-Date of Judging.jpg

3. b) Label or name your .jpg image as this example for CAPA competition (I will use my name and title, you use yours):

PaulS-CAPA N-Wild Bellflower-2009 02 24.jpg which translates to

First Name and Initial-CAPA Theme (N for Nature, C for Creative, P for Pictorial)-
Your short title of image (capa insists on a title)-Date of Judging.jpg

All competition images to be emailed to Paul Schmoldt the Friday before the Tuesday meeting when they are judged as per 'Meeting Schedule. The deadline is 2000 (8:00 pm). I will reply to your entries with a brief note (very brief) when I receive them.
